# INTERNET SAFETY!

How e-safe are you?

Isn't the internet amazing? It allows you to see more, learn more and have lots of fun.

To help you enjoy it safely, we'd like you to know what is E-Safety? And follow the Rules for Online Safety.

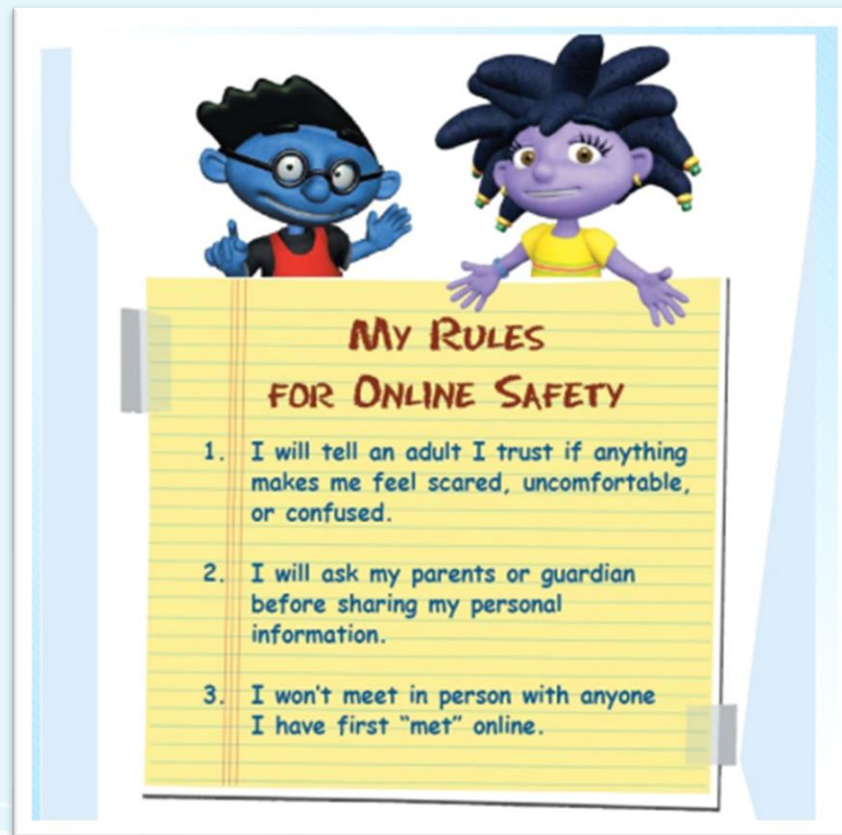

**What is E-Safety?**

Internet safety or online safety or cyber safety or E-Safety is trying to be safe on the internet.

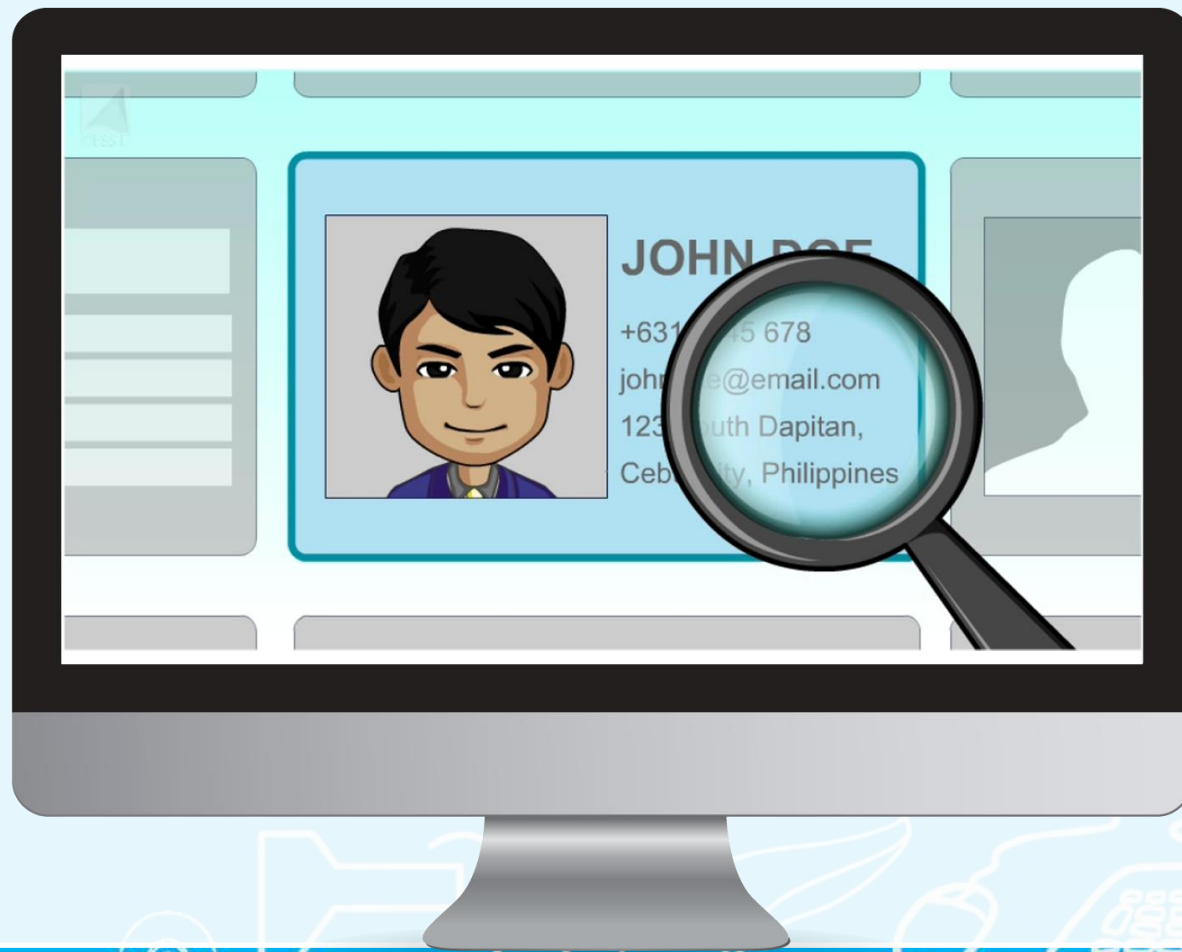

To be Safe while using the Internet, Let's know and follow the :

## Internet Safety Guidelines

# NO PERSONAL INFORMATION!

I will not give out personal information

- My address.

- Telephone number.

- The name and location of my school.  
without my parents' permission.

**TELL MY PARENTS!**

I will tell my parents right away if I  
feel something uncomfortable.

# NO PRIVATE MEETINGS!

I will never agree to meet with someone I have chatted with online.

NO SHARING!

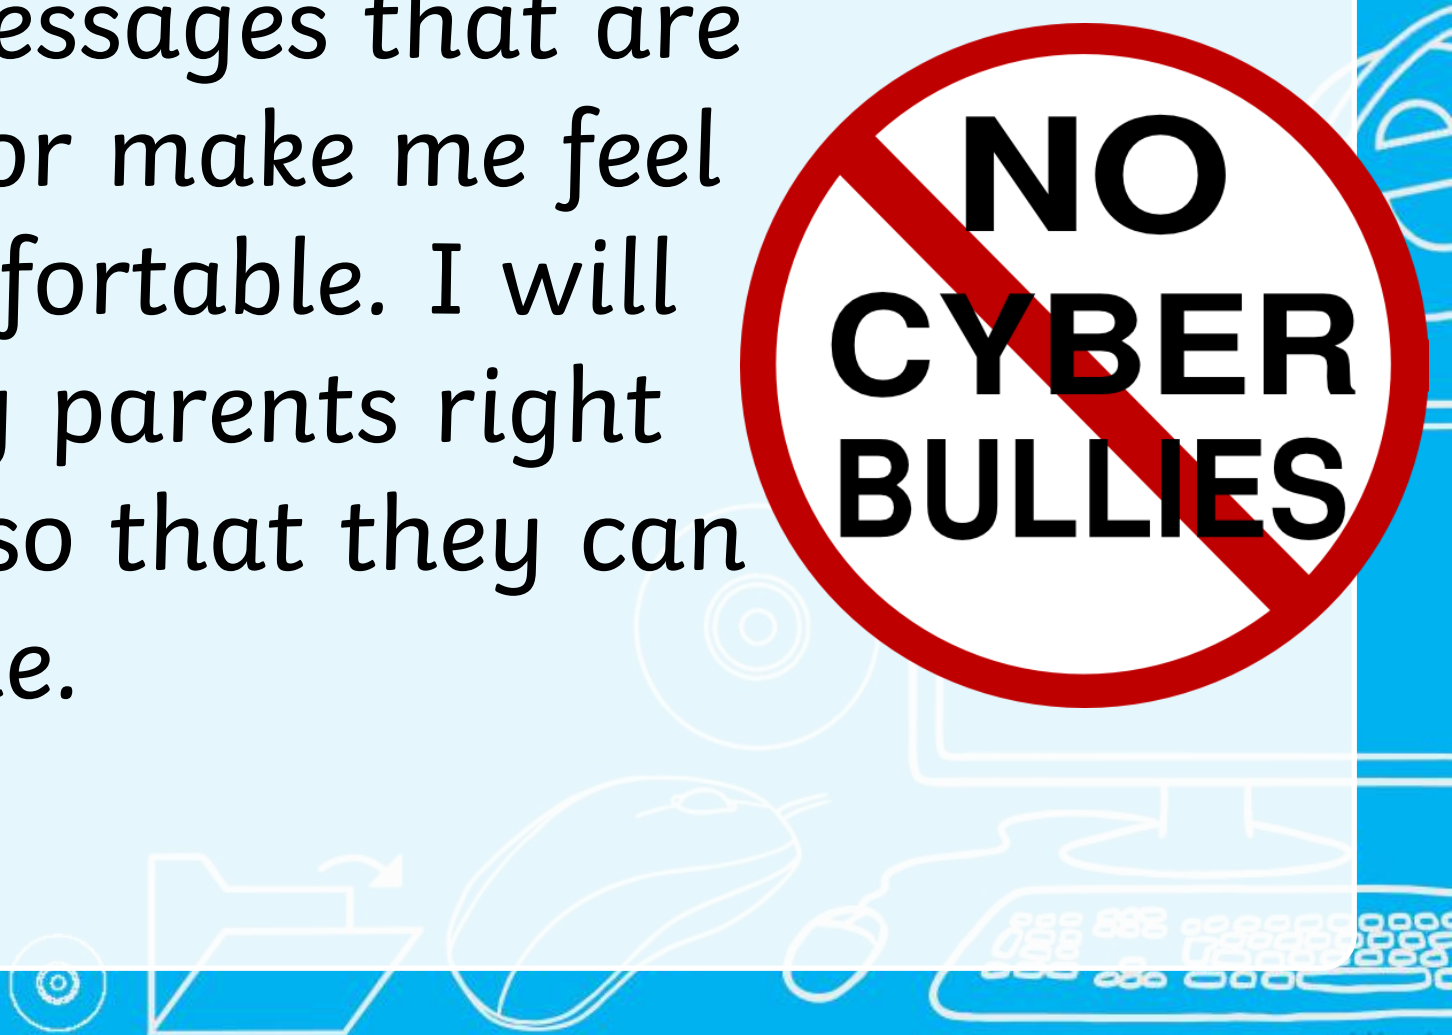

I will never send a stranger my picture or anything else.

# SHOCK VALUE!

I will not answer to any messages that are mean or make me feel uncomfortable. I will tell my parents right away so that they can help me.

# PROTECT MY PASSWORD!

I will not give out my Internet password to anyone (even my best friends) other than my parents.

# DOWNLOAD CHECK!

I will check with my parents before downloading or installing any software. This might hurt our computer. I will not click on “pop-up” advertising.

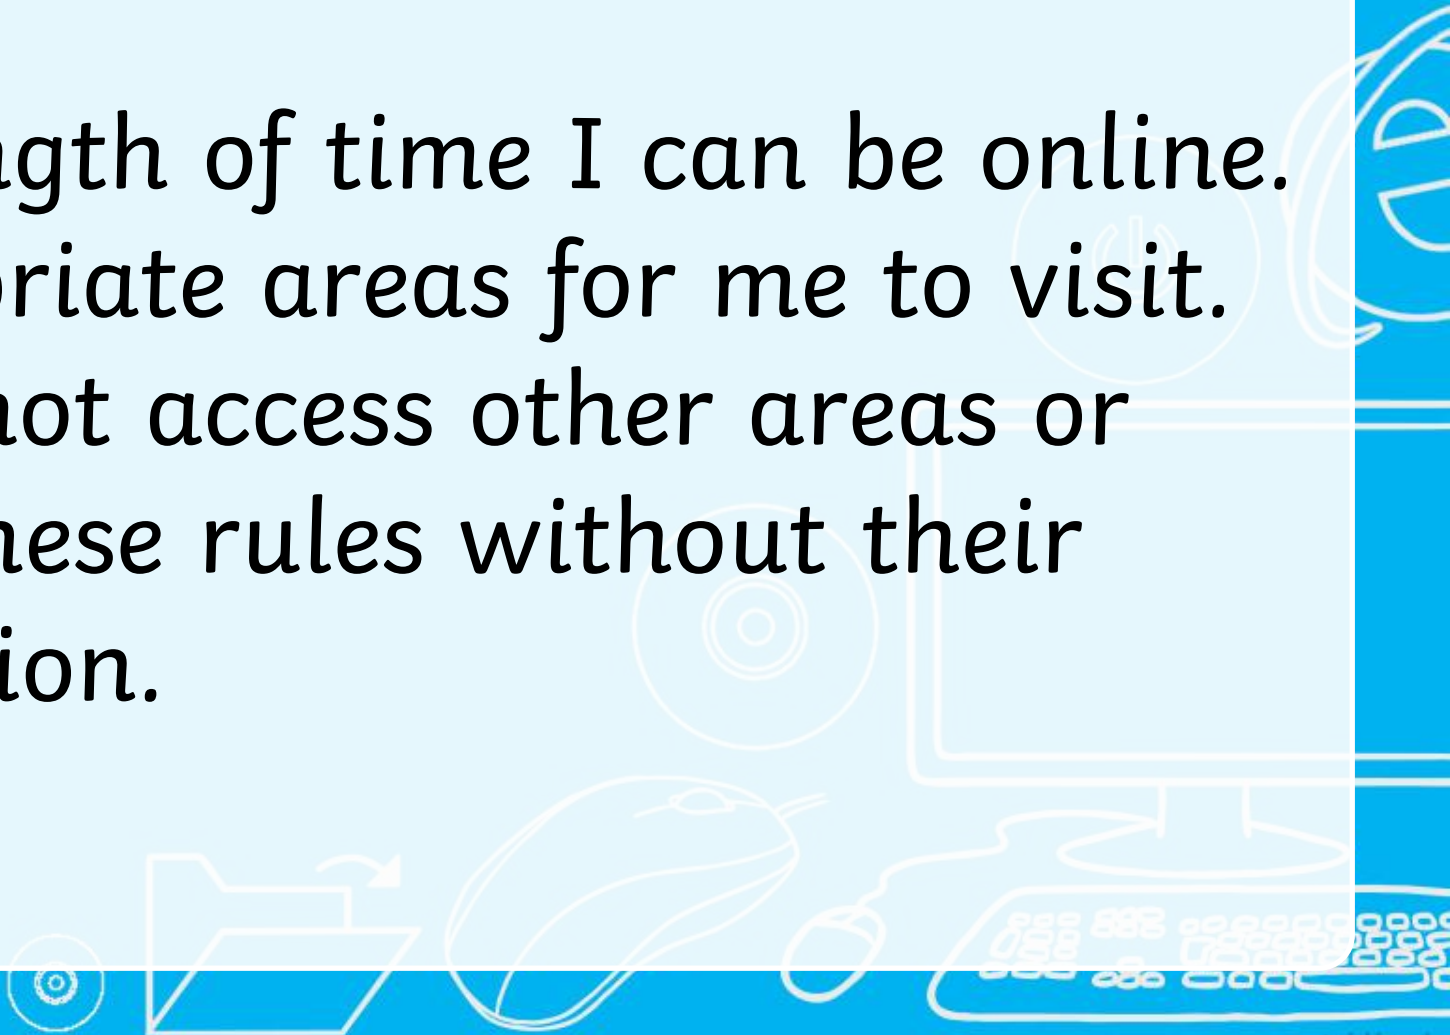

# WISE CITIZENSHIP!

I will be a good online citizen and not do anything that hurts other people or is against the law.

Me and my parents will decide:

- The time of day that I can be online.
- The length of time I can be online.
- Appropriate areas for me to visit.
- I will not access other areas or break these rules without their permission.
